***

Instant application has been filed raising certain disputes arising from agreement entered between the parties. It has come on record that finally bills were prepared on 6th May, 2005 and its intimation was sent to the applicant which was duly received on 12th May, 2005 and receipt has been placed on record by respondents along with additional affidavit. Claim application was filed on 29th November, 2005 which is beyond period of limitation provided under Clause 64.1 of terms of agreement. Despite opportunity being afforded, no such counter has been filed by applicant and this fact from material on record stands established about service of notice/information to the applicant and filing of claim application certainly was time barred.

Consequently, the application stands dismissed.
